

I was introduced by Bukola to Negxy Concept Limited. My own testimony was peculiar because, Negxy did not only get an admission and UK study Visa for me. They also went ahead to process my husband TIER 4 Dependent visa to accompany me to UK. Using Negxy services, the whole process took less than 3months. Now I have Teir4 student Visa to work 20hours during the week and 40hours during holidays, while my husband is holding Teir4 Visa to work full time for our period of stay in the UK. Thanks for making the marriage bond stronger, NEGXY. Keep being the no 1 study abroad agency in Lagos, Nigeria. Bisola Fayoke Ariyo MSc International Business Managements Birmingham city University
